

## IMPS (Immediate Payment Service)

### I. What is IMPS and how can I use it to pay my property tax dues?

Immediate Payment Service (IMPS) is an instant interbank electronic fund transfer service through mobile phones.

You will have to register for IMPS service at your bank.

Bank will provide you a MMID (Mobile Money Identifier which is a 7 digit code).

For payment of Property Tax through IMPS, you will have provide your registered mobile number and MMID.

Bank will send OTP (One Time Password) to validate you. Once validated, you can carry out the transaction.

**Payment Information** ( Kindly enter the following details to authorise the transaction )

Mobile Number \*

MMID \*

OTP \*

    

**Please note:**

- IMPS is inter-bank mobile payment service that enables you to make payment through your bank account via mobile.
- For a successful IMPS transaction, you will need to enter your mobile number registered with the bank, MMID issued by the Bank, and OTP issued by the bank.
- MMID (mobile money identifier) is 7-digit number issued by bank to customer upon mobile banking registration.
- OTP is one-time password issued by bank to customer for payment transaction. OTP is valid for one hour and for one transaction - success or failure. (The transaction amount will depend on the limits set by the Customer's Bank.)
- For details regarding mobile number registration, MMID, OTP generation, and banks enabled on IMPS, please [click here](#)

Your transaction is processed through a secure 128 bit https internet connection based on secure socket layer technology. For security purposes, Your IP address 162.70.114.69 and access time Jan 03 17:39:36 IST 2017 have been
